WHO'S WHO IN THE CAST

a division of The Walt Disney Studios, was formed in 1994 and operates under the direction of Andrew Platt, Anne Quart and Thomas Schumacher. Worldwide, its ten Broadway titles have been seen by more than 200 million theatregoers and have been nominated for 62 Tony® Awards, winning Broadway's highest honor 20 times. The company's inaugural production, *Beauty and the Beast*, opened in 1994, playing a remarkable 13-year run on Broadway and produced in replica productions around the world over four decades. In November 1997, Disney made theatrical history with the opening of *The Lion King*, which received six 1998 Tony Awards including Best Musical and Best Director, Julie Taymor, who became the first woman in Broadway history to win the award. Surpassing 25 landmark years on Broadway, it has welcomed 112 million visitors worldwide to date and has nine productions currently running worldwide. *The Lion King* has played over 100 cities in 24 countries on every continent except Antarctica and its worldwide gross exceeds that of any film, Broadway show or entertainment title in box office history. Elton John and Tim Rice's *Aida* opened on Broadway next, winning four 2000 Tony Awards. It was followed by *Mary Poppins*, a co-production with Cameron Mackintosh, which opened in London in 2004 and went on to enjoy a six-year Tony-winning Broadway run. *Tarzan*®, Tony-nominated for its 2006 Broadway premiere, went on to become an international hit with an award-winning production enjoying a ten-year run in Germany. In January 2008, *The Little Mermaid* opened on Broadway and was the best-selling new musical of that year. Disney Theatrical Group opened two critically acclaimed productions on Broadway in 2012, winning seven Tony Awards between them: *Peter and the Starcatcher* and *Newsies*, each of which enjoyed a two-year run and launched North American tours, with *Newsies* playing a record-breaking Fathom Events in-cinema release. *Aladdin*, Disney Theatrical Group's 2014 hit, continues its smash Broadway run. It has launched nine productions around the

globe and been seen by more than 17 million guests. Disney Theatrical Group's newest hit, the 2018 Tony-nominated Best Musical *Frozen* currently has four productions around the world. Other stage ventures include the Olivier-nominated London hit *Shakespeare in Love*, stage productions of *Disney's High School Musical*, *Der Glöckner Von Notre Dame* in Berlin and *King David* in concert on Broadway. Disney Theatrical Group has collaborated with the nation's preeminent theatres to develop new stage musicals including *The Hunchback of Notre Dame*, *Freaky Friday* and *Hercules*. As a part of the recent acquisition of 21st Century Fox, Disney Theatrical Group also heads the Buena Vista Theatrical banner, which licenses Fox titles for stage adaptations including *Anastasia*, *Moulin Rouge! The Musical* and *Mrs. Doubtfire*. With dozens of productions currently produced or licensed, a Disney musical is being performed professionally somewhere on the planet virtually every hour of the day. Next on the Disney Theatrical schedule: the world-premiere of *Hercules* in Hamburg, Germany and the North American tour of a reimagined production of *Beauty and The Beast* in 2025.
